

Cinis Fertilizer appoints financial advisor

Cinis Fertilizer has appointed Stockholm Corporate Finance AB as its financial advisor.

As previously announced, Cinis Fertilizer is conducting a strategic review of its operations with focus on securing financing to ensure the company's continued operations and to enable investments required to reach the planned production capacity.

"We have appointed Stockholm Corporate Finance as independent financial advisor to assist the company's Board of Directors and management. The assignment includes leading and coordinating various strategic and financial alternatives," said Roger Johansson, Chairman of the Board, Cinis Fertilizer AB.

About Cinis Fertilizer

Cinis Fertilizer is a Swedish greentech company that produces an environmentally friendly mineral fertilizer, potassium sulfate (SOP), by recycling residual streams from the manufacture of batteries and battery materials, as well as from the pulp and other industries. The patented technology uses half the energy of current production methods and results in a mineral fertilizer with a low carbon footprint. A unique and circular contribution that enables sustainable agriculture. Cinis Fertilizer is listed on First North Growth Market (CINIS). FNCA Sweden AB is the company's Certified Adviser.
